I hereby authorize the Mukilteo Water and Wastewater District (MWWD) to send the utility bill on my account to the authorized agent at the address listed below:

I understand MWWD will bill the authorized agent named above for water and sewer service as a third party, but as the owner of said property I am fully responsible for any and all unpaid bills left by the authorized agent. I shall take responsibility for any necessary deposits from the authorized agent to ensure payment of a past due bill. Should this account become delinquent, water service will be subject to termination under the policies of MWWD, and shall not be reinstated until all debt to the District has been paid. The District will notify me, the owner, of the authorized agent's past due account status subject to disconnection of service.

I understand that I must sign a new Billing Authorization for each new authorized agent. If the person/company authorized to receive the billing notifies the District that they are no longer responsible for the billing, the billing will revert back to me. Until the balance on this account is paid in full, the District cannot change the name on this account to a new authorized agent.
